

## REMARKS

The claims have been amended to overcome the § 112 rejection, without narrowing the scope of the claims. The amendments merely correct typographical errors.

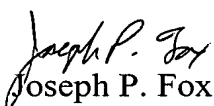

Claims 1 and 14 have been amended to accept the allowable subject matter found in paragraph 8 of the May 10, 2007 Office Action. These amendments now coincide with the scope indicated as allowable subject matter, and are not broader in scope, therefore no further consideration and/or search is necessary. Allowance is respectfully requested.

Applicants ave also filed a Form PTO/SB/38 to request the USPTO to retrieve an electronic copy of the foreign priority document.

For all of the foregoing reasons, Applicants submit that this Application is in condition for allowance, which is respectfully requested. The Examiner is invited to contact the undersigned attorney if an interview would expedite prosecution.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
